

# BK HONEY ANKLE WINTER

0202 0043 xx XXX

## Description / Use

Work thermoinsulated ankle shoes with rubber oil resistant outer sole. Comfortable wide shoes insulated with polyester fur with a high quality upper made of breathable nubuck leather.

**Size:** 36-48

**Color:** 82 beige  
60 black  
75 brown

## Recommended use

Work shoes. Designed to protect against weather conditions, which are neither exceptional nor extreme. It is necessary to determine the right size by carefully trying on and measuring the shoes. Shoe fastenings must be used correctly and laces must be tied properly.

This footwear is in conformity with Directive 89/686 EEC
