

WRANGELL TREKKING

0202 0498 xx XXX

Description / Use

Membrane trekking shoes. Waterproof and breathable membrane KINGTEX with insulation properties. Massive pattern rubber outsole. Reinforced toe for longer durability. Anti-slip and oil resistant EVA/rubber sole.

This footwear is in conformity with Directive 89/686 EEC

Size: 36-46

Color: 14 olive
75 brown

Recommended use

Work shoes designed to protect against minimal risks and weather conditions, which are neither exceptional nor extreme. It is necessary to determine the right size by carefully trying on and measuring the shoes. Shoe fastenings must be used correctly and laces must be tied properly.
